Good afternoon Ms. Ramus,

I appreciate you reaching out to us to request an extension of time for evidence submission, and can confirm that it has been extended to September 22, 2025. Yes, you are welcome to submit evidence in support of your claims via email. Please send that to file@idwr.idaho.gov, and be sure to reference the corresponding claim numbers with each submission. Feel free to contact me if you have any further questions along the way, and I'll be happy to help wherever I can.

Thanks,

~ Evan

Good afternoon, Mr. Roda –

Thank you for speaking with me today regarding the attached letter received from you in the mail. The United States appreciates the 30-day extension provided to September 22, 2025, for submission of the evidence requested. One question I should have asked while I had you on the phone – is an email submission to you a sufficient way to submit the evidence once its ready? If not, what would be the best way to submit? Thank you.

Best Regards,
