RE: CHANGE IN OWNERSHIP FOR: 29-7083, 29-7534

Dear Claimant:

On August 20, 2025, the department received a Change in Address for the above listed water rights, however our review indicates that a Notice of Change in Water Right Ownership is required. The address for Dale and Mary Wade (current owner of the water rights) was updated, however, in order to update the ownership to Wade Crest Land LLC an ownership change application is required. The property to which I am referring was most recently owned by Dale H Wade and Mary Anne Wade. The legal description includes but not limited to land within the following:

Township 12 South Sections 6 and 7 Range 37 East

Enclosed is a Change in Ownership form. Please fill out the form completely, sign and date it and return it to our office along with the proper fees, a "copy" of your Warranty Deed and legal description of the property you have purchased.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department within 120 days. Failure to report these changes could result in a \$100.00 late filing fee. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

If you have any questions regarding this matter, please call 525-7161.

Respectfully submitted,
