SUBJECT: Bear River Basin Adjudication (BRBA) Claim No. 11-4109

RESPONSE DEADLINE
DATE: September 28th, 2025

Dear claimant,

Idaho Department of Water Resources (IDWR) has received your water right adjudication claim number 11-4109. After reviewing your claim, these items need to be addressed:

1. Date of Priority: You claimed a priority date of 12/03/1895. To confirm this priority date, please provide evidence of historical use of the rate of diversion, irrigated acres, source, point of diversion, and place of use. The statutory claim filed in 1968 by Weston J. Parker also did not provide priority evidence. The homestead document provided with the claim does not specifically state that water use occurred on the property during that time.

Included is "Evidence of Priority" brochure which gives examples of documents that may be evidence. If you are unable to locate any evidence, a personal affidavit can be written in its place. A layout of what should be included in the affidavit is also included.

If you would like to contact me, my telephone number is (208) 701-7203 and my email is justin.edgel@idwr.idaho.gov. If I do not hear from you or receive additional evidence by the response deadline, your claim will be recommended as disallowed.

Sincerely,

Justin Edgel
Water Resource Agent
