Watermaster:

The Idaho Department of Water Resources (IDWR) is seeking written comment and/or recommendations from you regarding the above referenced water right application. You can find a copy of the application at: <https://research.idwr.idaho.gov/apps/waterrights/wrajsearch/wradjsearch.aspx>. Please review the application, then complete the attached recommendation form and return it to this office by September 8, 2025.

If the application is approved, IDWR will include appropriate standard conditions of approval for a water right located within a water district, such as regulation by the watermaster, lockable controlling works, and/or measuring devices. Any special conditions or other concerns you have related to this application should be specifically addressed in your recommendation.

IDWR can finish reviewing an unprotested application as soon as the protest period has passed. Your prompt response to this request will ensure that your recommendation can be considered. If IDWR has not received your written recommendation by September 8, 2025, IDWR will presume that you do not oppose approval of the application and that you have no comments for IDWR to consider.

Please contact this office if you have any questions regarding the application.

RE: Application for Permit No. 65-24367

Dear Applicants:

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the STAR NEWS on 8/21/2025 and 8/28/2025. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Lynne Evans
Administrative Assistant

Re: Application Permit Incomplete - Returned

Dear Applicant:

This office received your application for permit (application) on May 29, 2025. The application cannot be accepted into the records of the Idaho Department of Water Resources (IDWR) until the following items are addressed.

- Place of Use - #9: Write a "D" in the grid indicating which QQ the dwelling will/does exist
- As long as I am sending this to you, please have **both** applicants sign the application

I have attached a printed copy of your application in which you can make the amendments. Please make the necessary changes to this 'original' form and re-submit within the next thirty (30) days. If IDWR does not receive your written response within thirty (30) days, a refund will be issued for this filing. IDWR application instructions are available online at [Water Right Forms | Idaho Department of Water Resources](#). Please consult the IDWR website or contact this office at 208-334-2190 if you have any questions about the necessary information.

Important! You may mail or email your amended application. If you choose to email, you are *required* to send your application to file@idwr.idaho.gov. In addition, you may copy me on the email so that I can keep an eye out for it.

Sincerely,

Susy
