**NOTICE OF PROPOSED CHANGE OF WATER RIGHT
TRANSFER NO. 89752**

TTN LLC, PO BOX 690, MERIDIAN, ID 83680-0690 has filed Application No. 89752 for changes to the following water rights within OWYHEE County: Right Nos. 2-2399, 2-2439, 2-7091, 57-277, 57-2094D. The purpose of the transfer is to change a portion of the above rights as follows:

to condense the place of use (POU) for water right nos. 2-2399, 2-2439, 2-7091, 57-277, 57-2094D. The transferred rights when combined would allow a maximum rate of 17.38 cfs for the irrigation of 869 acres (0.02cfs/acre) within a 1,093.1 acre PPU. All of the transfer rights are at least partially overlapped by the proposed PPU. The transfer PPU would allow application of Snake River water in closer proximity to the river.

An application for exchange is being processed with the transfer. Reynolds Creek water is being exchanged for Snake River water. The application for exchange proposes to move the Reynolds Creek point of diversion for water rights 57-277 and 57-2094D to the Snake River approximately 1 mile upstream of the confluence. The proposed transfer POD is the Snake River pump station currently used for the applicant's Snake River water rights 2-2399, 2-2439, & 2-7091.

For additional information concerning the property location, contact the Western Region office at (208)334-2190. Protests may be submitted based on the criteria of Idaho Code § 42-222.
