Mr. Phillip D Bartschi,

The Idaho Department of Water Resources is reviewing adjudication claims in the Bear River Basin Adjudication. On your claim, 11-7615, it was noted that the Point of Diversion (POD) was marked on your neighbor's property. While you did acknowledge this on your claim, you did not explain if you have legal access to the spring. If you could send a copy of the access agreement with a short explanation to the Preston Field Office, or give us a call, we can finish our review of your claim.

The Preston Field Office's mailing address is:

325 E 600 S STE 300  
Preston, ID 83263

You can also call us at 208-701-7200.

I am including a copy of your claim for reference. Feel free to call if you have any questions or concerns. I can be reached at the Preston Field Office.

Sincerely,

Kyle McMurray  
Water Resource Agent
