RE: LEASED WATER RIGHT NO. 37-2644D REMAIN IN THE WATER SUPPLY BANK

Dear Lessor:

On August 15, 2025, the Department of Water Resources (Department) received your request to release water right 37-2644 D for 1-acre of irrigation from existing Water Supply Bank (Bank) Lease Contract 1628 executed on January 19, 2023. The leased water right is stacked and leased with water right 37-153 for 2.7 acres of irrigation, for a combined limit of 2.7 acres with water right 37-2644 D until December 31, 2025. **Water right 37-2644 D cannot be released early from the Bank without also releasing water right 37-153.**

You may submit a second release request form for water right 37-153 to cancel the entire lease contract. A new application to sell or lease a water right to the Board's bank form(s) from the Department's website at www.idwr.idaho.gov along with applicable filing fees is required to amend an existing lease contract to release only a portion or a single water right from a larger leased amount or lease contract with multiple water rights.

If you have any questions regarding this matter, please contact me at (208) 287-4936.

Sincerely,

Mary Condon
for Water Supply Bank

STATE OF IDAHO
WATER RESOURCE BOARD
WATER SUPPLY BANK
REQUEST TO RELEASE A WATER RIGHT FROM THE BANK

ONE FORM PER WATER RIGHT

All water rights leased into the Water Supply Bank shall remain unused by the water right holder for the duration of the Lease Contract. The water right will not be released from the Water Supply Bank until the conclusion of the Lease Contract unless otherwise authorized by the Idaho Water Resource Board. Water right holders may use this form to petition for early termination of their Water Supply Bank Lease Contract.

Water right holders seeking an early termination of a Lease Contract must demonstrate justifiable need for the release. Water rights under Lease Contract that are eligible for early termination can be released from the Water Supply Bank if the release will not impair administration of the Water Supply Bank. **If a water right is currently rented, it cannot be considered for release until the Rental Agreement concludes.** A water right is not released from the Water Supply Bank until written release confirmation is issued by the Water Supply Bank.
