Champions, national rodeo qualifiers and Silver State International Rodeo qualifiers were decided after the state rodeo's short-go Saturday.

The national rodeo takes place from July 13 to July 19 at the Sweetwater Events Complex in Rock Springs, Wyo. The top four finishers in each event at the state rodeo qualified for the national finals.

Another Homedale cowboy, Sammy Saunders, will head to Wyoming after his runner-up finish in the reined cow horse competition.

Saunders also has qualified for the national rodeo as a steer wrestler and tie down roper. He was runner-up in steer wrestling, and he took third in roping his calf.

Sloan also will compete in the national rodeo as a barrel racer. She finished as runner-up after Saturday's short-go in the state competition.

Competitors finishing fifth to 25th in the state rodeo are eligible to compete in the Silver State International Rodeo, which runs from June 30 to July 7 in Winnemucca, Nev.

✓ Championship: Coach wants to grow team numbers for fall season

From Page 10

shooting and the five-stand discipline, which is a sporting clay course consolidated down to a trap platform.

Renteria is trying to recruit more team members as the Marsing squad prepares for the fall season, which will be another eight-week odyssey.

"I wanted to start a high school team to get more kids involved in shotgun shooting sports," Renteria said.

Although he received school

board approval two years ago, the challenge remained to find someone qualified to coach. Renteria had experience coaching a local 4-H team and another competitive team, so he got certified to coach the high school team. Bobbie, Ethan, Trevyn and Tyler all came on board from Renteria's 4-H squad.

Renteria recruited in Homedale, Rimrock, and Melba, too, and got the minimum five-person team

required to join a league. The league is open to sixth-through 12th-graders.

"I'm hoping that if we can get the word out, I will have more kids interested in joining the team for this fall," Renteria said.

"For this summer, now that the league has ended, I plan on getting the team together as often as we can to keep practicing. This will help my kids that do not have as much experience as the others

improve their skills."

Anyone interested in joining the team can contact Renteria for more information at (208) 936-8685 or bigrob3378@gmail.com.

Although sanctioned by the Marsing school trustees, the team is completely self-funded, Renteria said.

"We are going to try to put together some fundraisers this summer to raise money for expenses," he said.

High school clay target

shooting originated in Minnesota 24 years ago, and has been in Idaho for about five or six years. Three teams and 47 shooters competed in the first state championship in 2022, according to state director Melissa Craig.

The 2025 championship shoot saw a 92 percent increase over that first year (21 teams and 178 registered competitors).
