Re: Change in Ownership for Water Right No(s): 72-7077, 72-10077, 72-16897

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Please note, The Bank of Commerce is identified as a security interest holder on water right 72-7077. If this is no longer correct, it can be removed from the right upon written notice from the security interest holder that the interest has terminated.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

Another notice of change in water right ownership was received at the same time as this one for a split of water right 72-7077. Because the other notice was processed prior to this one, and this one claimed the remaining portion of the original parent water right, a fee of only \$25 was required. Therefore, the total fee required for the updating of the three water rights was only \$75. The fee paid at the time of filing was \$150, therefore a refund of \$75 has been requested and will be mailed to Ed and Lori Gregory under separate cover from the Idaho State Controller's Office.

If you have any questions concerning the enclosed information, please contact me at 208-293-9912.

Sincerely,

Tyler Wallace

Subject: Request for refund on notice of change in water right ownership

On March 31, 2025 the Department received a package of two *Notice of Change in Water Right Ownerships forms* (3 rights) from Edward and Lori Gregory. One of the ownership forms was for the splitting of water right 72-7077. However, on the same day, another notice was submitted to split 72-7077 by Cornerstone Ranch Living Trust. Because the Cornerstone notice was processed first, the remaining portion was claimed by the Gregory's on their ownership change, without the need to split the right. The Gregory's paid \$150 at the time of filing for the three rights (1 split and 2 changes), but only \$75 was required (3 changes).

Could you issue a refund for the \$75.00 in excess fees? The fee was paid by Edward and Lori Gregory. Their address is:

EDWARD K GREGORY
LORI M GREGORY
26035 HIGHWAY 93
CHALLIS ID 83226-4711

They paid for the notice with check #2475, and the IDWR receipt number is S040580. Thank you and let me know if you need any more information.
