RE: CHANGE IN OWNERSHIP FOR: 25-14229

Dear Claimant:

On July 17, 2025, the department received a Change in Address for the above listed water rights, however our review indicates that a Notice of Change in Water Right Ownership is required. The address for Mountain River Ranch (current water right owner of the water rights Mountain River Sportsman RV Park & Camp) was updated, however, in order to update the ownership to BT2D LLC an ownership change application is required. Please find attached a map and proof report of the water right. The legal description includes but not limited to land within the following:

Township 4 North Section 36 Range 40 East

Enclosed is a Change in Ownership form. Please fill out the form completely, sign and date it and return it to our office along with the proper fees, a "copy" of your Warranty Deed and legal description of the property you have purchased.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department within 120 days. Failure to report these changes could result in a \$100.00 late filing fee. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

If you have any questions regarding this matter, please call 525-7161.

Respectfully submitted,
