Re: Statement of Completion Returned as Incomplete in Error

On 04/28/2025, the Permit Holder submitted a Statement of Completion (proof) for permit 25-14477 with some data fields not completed, and no license exam fee. Permit 25-14477 authorizes 0.04 CFS from ground water for stockwater.

I returned the proof on May 2, 2025, to the Permit Holder with a Deficiency Letter asking for them to resubmit the proof with the name of the Permit Holder(s) in data field #1. The Deficiency Letter also requested a license exam fee of \$50.

On May 9, 2025, the Permit Holder resubmitted the proof with the Permit Holder's name in data field #1 and a license exam fee on \$50.

The proof was returned in error since the Permit Holder's name and signature was listed on the bottom of the proof form, and permit 25-14477 is considered domestic use which does not require a license exam fee pursuant to Idaho Code §42-111(a) & (b).

On May 19, 2025, I sent an email to IDWRPayable to request a refund of the \$50 license exam fee that was received on May 9, 2025.
