AMENDED NOTICE OF HEARING

On October 13, 2020, LCSC Enterprises LLC (“LCSC”) filed Applications for Transfer 84488 and 84490 with the Idaho Department of Water Resources (“Department”). A protest against each application was filed by Idaho Power Company and a joint protest against each application was filed by A&B Irrigation District, Burley Irrigation District, Milner Irrigation District, North Side Canal Company, Twin Falls Canal Company, American Falls Reservoir District #2 and Minidoka Irrigation District (collectively “Coalition”). Idaho Power Company withdrew its protests for both applications on May 15, 2025. Applications 84488 and 84490 have been consolidated for hearing.

The Department scheduled these consolidated cases for hearing on September 23 and 24, 2025. During a status conference held on September 16, 2025, the parties asked the hearing officer to reschedule the hearing for a later date.

The Department has rescheduled these consolidated cases for hearing on **December 18 and 19, 2025, beginning at 9:00 am, at the Idaho Department of Water Resources Eastern Regional Office, located at 900 N Skyline Drive, Idaho Falls, ID 83402**. If any of the proposed witnesses need to participate in the hearing by video conference, Department staff will assist the parties in setting up a video conference option.

The presiding officer at the hearing will be James Cefalo, whose mailing address is 900 N. Skyline Dr., Ste A, Idaho Falls, ID 83402-1718. The presiding officer authorizes the parties to serve documents by email. Because all prehearing deadlines have already passed, the hearing officer will not amend the scheduling order or reset any of the prehearing deadlines.

The hearing will be held in accordance with the provisions of Chapters 2 and 17, Title 42 and Chapter 52, Title 67, Idaho Code, the Department’s Rules of Procedure (IDAPA 37.01.01), and the Department’s Water Appropriation Rules (IDAPA 37.03.08). A copy of the code and rules may be obtained from the department's website, www.idwr.idaho.gov, or upon request.

All parties appearing in the matter will have the opportunity to present information, examine witnesses, and provide argument on issues related to the contested application.

The hearing will be conducted in a facility that satisfies the accessibility requirements of the Americans with Disabilities Act. If you require special accommodation to attend, participate in, or understand the conference, please notify the department at least (10) days prior to the hearing. Inquiries about scheduling or hearing facilities should be directed to Christina Henman at (208) 525-7161.

Dated this 22nd day of September 2025
