RE: Water Right No. 36-7293, 36-7425, 36-8789, 36-13830, 36-13831, 36-13832, 36-13833 and 71-10129

Dear Mr. William F. Gulley and Mrs. Judy L. Gulley:

It was a pleasure to speak with both of you this morning. I have enclosed several documents.

- There are two copies of the Notice of Change in Water Right Ownership form. This is the form that you'll need to complete for us in order to make the Walking G Ranch, LLC the owner of the seven, Basin 36 water rights. It could also be used to help us get the ownership corrected for the Basin 71 water right. (I didn't ask you if you wanted the ranch to be listed as owner of that right and you may have another option in mind.)
- I have also enclosed copies of the partial decrees for Rights 36-7293, 36-7425, 36-13830, 36-13831, 36-13832, 36-13833 and 71-10129 and the license for 36-8789. Based on our conversation, it wasn't clear that you had all the copies you needed for your files.
- I have enclosed documents which we call proof reports for each of the rights. Proof reports are print-outs of the basic information about the water rights as they currently appear in our database. I generated them while I was doing research for you. You will notice that 3 of the rights have the two of you listed as owners while 5 of the rights have Judy L. Gulley and William Jenkins listed as owners and at a different address. One of the rights in that later group started this adventure.

I am recommending that you get the ownership updated for all of your rights. Making the water rights ownership and the land ownership the same makes the most sense from the perspective of this agency.

I don't usually process changes in water right ownership. Instead, it's likely that a technical records specialist will be assigned to process your ownership change documents.

This letter will be made a part of each of the water right files I have listed above. Hopefully, it will give anyone who reviews the files in the near future a 'heads up' that ownership was being updated.

If you have questions about the process please call us at IDWR's state office in Boise 208-287-4800 or at our Southern region office in Twin Falls 208-736-3033.

Sincerely,

Michele D. Edl
