

**BEFORE THE DEPARTMENT OF WATER RESOURCES
OF THE STATE OF IDAHO**

IN THE MATTER OF	)	
TRANSFER APPROVAL NO. 90050	)	ORDER WITHDRAWING
IN THE NAME OF IRONWOOD	)	PRELIMINARY ORDER
<u>HOMEOWNERS ASSOCIATION INC.</u>	)	APPROVING TRANSFER

On May 5, 2025, Ironwood Homeowners Association Inc. ("Ironwood") filed Application for Transfer 90050 with the Idaho Department of Water Resources ("Department"), proposing to change elements of water right 22-13808. On September 16, 2025, the Department approved Transfer 90050. The transfer approval was a preliminary order by the Department. Based on concerns about the validity of a portion of water right 22-13808, the transfer approval identified fewer irrigated acres than were proposed in the original application.

On September 29, 2025, the attorney for Ironwood notified the Department that Ironwood opposed the reduction in irrigated acres and stated that Ironwood has decided to withdraw Application 90050 altogether.

Pursuant to Rule 760 of the Department's Rule of Procedure (IDAPA 37.01.01), a presiding officer who issues a preliminary order may modify the order within 14 days after issuance of the order. Therefore, within 14 days of September 16, 2025, the regional manager for the Department may withdraw the preliminary order approving Transfer 90050 and acknowledge Ironwood's withdrawal of Application 90050.

ORDER

IT IS HEREBY ORDERED that the preliminary order approving Transfer 90050, issued on September 16, 2025, is WITHDRAWN. Consistent with the request from Ironwood's attorney, Ironwood's withdrawal of Application 90050 is CONFIRMED.

Dated this 30th day of September 2025.
