- 13 DMansfield 10/9/2025 POU
While researching this right for Split Change in Ownership we found that the 14 acres of approved Irrigation in the NENE1/4 of Sec 6, T20N R22E under Parent Right 75-14323, appears to have been decreed to a 10 acre property. In 2014 a split change in ownership affected the 14 acres of Irrigation in the NENE1/4 of Sec 6, T20N R22E. At that time 5 acres of irrigation was split off to create Child Right 75-14794. That split left a remaining 9 acres of Irrigation on a remaining 5 acre parcel. The remaining 9 acres of Irrigation in the NENE1/4 of Sec 6, T20N R22E is being split to form the new Child Right 75-15139 at the Place of Use on Lot 1, Chinook Subdivision, which is 5 acres in area.
