Subject: Amended Water Right Claim for Bear Lake RV Park
Date: Friday, August 16, 2024 8:23:00 AM
Attachments: [11-7286 Amended Claim.docx](#)

Good morning,

I am emailing you in regards to our phone conversation yesterday. In summary, you would like to better define the terminology of the term "Domestic" use for the RV park's water right. Attached to this email is an amended claim for 11-7286. There are two sections that require your attention:

- #5, Description of Diversion Works: Please provide a brief description of the general diversion works system.
- #13, Remarks: This is where you will describe your desired terminology for the term "Domestic". Based on our conversation, an appropriate remark may be, "I wish for the decreed water right to describe Domestic use for in-house use only, not lawn and garden." You can phrase this in any way you wish.
- #14, Signature: After completing the document, please print the amended claim. Then, complete #14.

There is no additional fee required to amend your claim. Once you have completed the above requirements, please mail the amended claim to the Preston Field Office at the address listed in my email signature. If you have any questions, feel free to call or email me.

Sincerely,

Christopher Holmes
