RE: Change in Ownership Water Right No. 35-14551

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership on August 7, 2025, for the above-mentioned water rights. The ownership was updated for the water right on August 14, 2025, however during further review it was determined that this water right is not a valid water right. It was a duplicate water right that was created in 2017 and was inadvertently not corrected or made to be inactive when a split was not required. The active water right number that this right is a duplicate of is 35-2393 (proof report attached). The department has corrected the error.

Because water right 34-14551 is not a valid water right you are entitled to a refund of the filing fee you paid for the August 2025 ownership change. The department has initiated the refund and it should arrive from the state office e in a couple weeks.

Because the department is returning your application you are entitled to a full refund. The department has initiated a refund, and it should arrive from the state office in couple of weeks.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.
