Re: In the Matter of Integrated Municipal Application Package ("IMAP") of Suez Water Idaho for Applications for Transfer of Water Rights and Applications for Amendments of Permits

Dear Ms. Davis,

This letter is to notify you that documents gathered as a courtesy in response to your December 27, 2017 *First Discovery Requests to Idaho Department of Water Resources* in the above-referenced matter are now posted in a zipped file on the Idaho Department of Water Resources' website at the following location: <https://idwr.idaho.gov/legal-actions/administrative-actions/suez-water-idaho-inc-IMAP.html>.

For your reference, your requests and documents responsive to the requests are listed below.

REQUEST NO. 1: Please produce or make available for inspection and photocopying any and all guidance documents, guidance memoranda, policy statements, policy memoranda, or other rules that IDWR relies upon to evaluate the completeness and merits of an application by a municipality or water delivery entity for water rights to serve reasonably anticipated future needs.

RESPONSE TO REQUEST NO. 1: The documents listed below are saved in the folder titled Response No. 1.
