Subject: RE: Draft Order for IMAP [IWOV-GPDMS.FID814780]

Mr. Hearing Officer,

I apologize for the delay getting these documents to you.

As you requested, I've attached to this email are:

1. A list of SUEZ's 101 water rights included in the IMAP. This list is the same as the list provided in Exhibit A to *SUEZ's 2017 Update Report on IMAP and 2065 Master Water Plan* (filed April 28, 2017), except that water right nos. 63-2892 and 63-12055 were withdrawn from the IMAP proceeding by SUEZ on November 28, 2017 (corrected on December 1, 2017).
2. A list of SUEZ's 81 alternative points of diversion (APODs) included in the IMAP. This list is the same as the list provided in Exhibit D to *United Water's Statement Updating and Explaining the IMAP Relaunch* filed on August 14, 2012..

Please let me know if you have any questions.

Sincerely,

Mike Lawrence

Subject: Draft Order for IMAP

Dear Parties:

When we met on July 10th, I agreed to have a draft order out within 30 days. Although I am well underway with the draft order, it appears that my time frame was too ambitious. Shelley Keen recently asked for an additional 60 days to assemble the Department's findings regarding the 2065 Master Water Plan. I hope to have the draft order circulated to the parties by the end of September.

Michael – When you get a chance, please forward me a final list of the water rights included in the IMAP and a final list of proposed points of diversion. The 2017 update provides a good summary, but there have been a few revisions since then. I plan on including a list of water rights and points of diversion as an attachment to the draft order.

Thank you for your patience.

James Cefalo
Hearing Officer
