Good afternoon Mr. Wright,

I was just following up on this as I haven't heard from you. I didn't want it to get lost in the paper shuffle on my desk. 😊 If Bristol George is going to be the Law Office representing you, they will need to send me a Notice of Appearance (NOA) so I can update your file. Please have them reference Water Right # 97-9291 in their correspondence to me.

Thank you and have a great day!

Dawn.... Thanks for taking my call yesterday. I imagine you are very busy. I called Macober Law today. They told me they are now Bristol George Law, as they bought out Macomber Law and changed the name. They said they still have water rights law specialist. They asked me to email them to discuss keeping them as my law firm on record point of contact regarding water rights. This will take a few days or more. I will let you know the outcome asap.

Thank you.

Dear Mr. Wright,

I am writing in regard to the above Notice of Claim to a Water Right that was filed with our office back in June of 2022. Our records show your attorney/Notice of Appearance as Burkley M. Rudd with Macomber Law, PLLC in Coeur D Alene, ID. We have been notified that he no longer works for Macomber Law and you may have a new NOA representing you and Milhomme Trust. According to our records, we now show NICI Law Firm in Naples, FL. If you wish to update the Notice of Appearance in your file, please have NICI Law Firm send us a letter or email stating they now represent you and your Trust. If our information is not correct, please call our office and we can get it straightened out.

If you have any questions regarding this matter, please call me at 208-762-2800.

Sincerely,

Dawn R. Lenon
