Mr. Cefalo,

Thank you for providing the draft transfer approval. We are satisfied with the conditions you drafted to protect existing water rights. As long as the transfer is approved with those conditions, that will resolve the protest of Rob & Charlotte Vaughan. If the transfer is not approved with those conditions, the Vaughans' protest will remain in place. If anyone proposes to change the transfer conditions, please let us know. Otherwise, please send us a copy of the approved transfer.

Thanks,
Robert & Charlotte Vaughan
