RE: Ownership of Bear River Basin Adjudication Water Right Claim No. 11-7106

Dear Property Owner:

Our office has been advised that you may be the new owner of Bear Lake County Parcel No. 10S43E068775 and the Bear River Basin Adjudication Water Right Claim No. 11-7106.

We are in the process of recommending claims that have been filed in the Bear River Basin Adjudication, and according to the data we have reviewed, it appears that water right 11-7106 is appurtenant to the property you own. Before we can modify our records to reflect your ownership of this right, we need to have the enclosed Notice of Change in Water Right Ownership form completed and submitted with the proper conveyance documents showing your ownership.

Please return the change in ownership form within 30 days. You may submit the form by mail or by email to file@idwr.idaho.gov. No fee is required for changing the ownership of pending adjudication claims.

Feel free to call me at (208) 762-2800 if you have any questions regarding this matter.

Sincerely,

Jared Adamson
Water Resource Agent, Sr.
