Cody and Sara,

I am attaching a memo seeking a modest change in the “anti-speculation condition” to bring it into line with the statutory language.

The memo is long (in order to explain why this matters), but the ask is simple.

I’m sending this only to you, per your direction, with the expectation that you will send it up the chain of command at IDWR as you deem appropriate.

Happy weekend to you and all the good folks at IDWR.

-Chris
