RE: Change in Ownership Water Right No. 25-7073F

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of a check for 25-7073F referencing an ownership change on October 16, 2025. The department could not locate an ownership change application for that water right number. The Online Payment Processing Center was contacted on October 16, 2025, they indicated they would get in touch with the sender and have them contact us, they told us to hold the check for 7 days then return it if there is no more information received.

As of today, the department has not received any additional information regarding this payment. Therefore we are returning the check to the address listed.

Because it references an ownership change, I have also attached an ownership change form you can complete and resubmit with the payment if that is your intent. Please note along with the ownership change form, a copy of the recorded deed and filing fee is required.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Bailly
