Re: Withdrawal of Transfer application No. 89200

A preliminary order denying the application for transfer no. 89200 in the name of John or Jamie Wind was signed by Western Regional Manager Nick Miller on October 1, 2025. The order was mailed out on October 9, 2025.

On October 28, 2025, a notice of withdrawal for transfer application no. 89200 was received via email through the Departments electronic filing system. Also included was a fax receipt for the transmission of that notice and a copy of the notice that was faxed on September 11, 2025. The Department no longer receives faxes, therefore the withdrawal form was received after the preliminary order was issued.
