RE: Water Permit 63-34073

Dear Property Owner:

The Department of Water Resources (Department) has reason to believe you may be the owners of all or part of the property associated with water right permit 63-34073 (permit). The permit authorizes a total diversion rate of 5.00 cubic feet per second of ground water for irrigation use in a portion of Section 7, Section 17, and Section 18, Township 05 North, Range 04 West, and Section 13, Township 05 North, Range 05 West, B.M., Canyon County.

According to Department records, the current permit holder is A J P Farms Inc and JLP Farms Inc C/O: Jerry Payne. A condition of the permit required the permit holder to submit a proof of beneficial use statement to the Department on or before **December 1, 2025**. The Department notified A J P Farms Inc and JLP Farms Inc C/O: Jerry Payne by certified mail at 23546 Hartley Ln Middleton ID 83644-5829 and 27333 Fountain Rd Parma ID 83660-6769. The correspondences was returned to our office marked "return to sender- not deliverable as addressed- not known" and "return to sender- unclaimed- unable to forward" by the US Postal Service.

If you are the current owner of the property appurtenant to water permit 63-34073, a Notice of Change in Water Right Ownership must be completed.

Along with the ownership change notice, you must submit either a *Statement of Completion for Submitting Proof Beneficial Use* or a *Request for Extension of Time* form. If the Department does not receive either a *Statement of Completion for Submitting Proof Beneficial Use* or a *Request for Extension of Time* by **December 1, 2025**, the permit will lapse.

I am enclosing a copy of the permit, a map showing the place of use, a Statement of Completion for Submitting Proof Beneficial Use, a Request for Extension of Time and a Notice of Change in Water Right Ownership form for your benefit. These forms can also be found on the Department's website, www.idwr.idaho.gov.

If you have any questions, please contact me at (208) 287-4945.

Sincerely,

Julie Adams
