Dear Claimant(s):

The Idaho Department of Water Resources (IDWR) has received your Bear River Basin Adjudication (BRBA) Notice of Claim to a Water Right. We are unable to process your claims for the following reason(s).

#2-Date of Priority-this is the date the water use began.

#3-Source of Water-there can only be one source of water per claim.

#4-Location of Point of diversion-this is where the water is diverted from for various uses. If you are claiming irrigation, we will need a map showing where the water is being diverted from the source.

#6-Water is Claimed-this is for domestic, irrigation, stockwater, etc... Put the season of use dates that the water is used for and the diversion rate as needed.

#7-Total Quantity Claimed-This is the total from #6.

#9 Place of Use-this is where the water is being used. A colored map will need to be sent showing the outline of the total number of irrigated acres that are being irrigated. Also, the claim where the three homes are being serviced we will need a map showing the location of the homes being serviced.

#15-Signatures-claimants need to sign each claim.

Fees-will need to be paid for the claims to be processed.
