Re: claims to water rights of Val D and LaRee Westover

Deer Marion;

On September 22, 2025 you rejected these three claims for deficiencies. I have corrected those deficiencies. The amended claims are attached. Along with a filing fee of \$128.00, \$25.00 each for two claims for stock watering and domestic use and \$78.00 for irrigation of 28 acres. Thank you for your assistance.

Sincerely,

Blake S. Atkin
