Subject: Water Right Permit 63-34255

Dear Permit Holder(s):

The Department received the proof of beneficial use (proof) form you submitted for the above referenced permit. This proof is deficient and is unable to be processed until the deficiency is addressed

A license examination fee was not submitted with the proof form. This permit authorizes a diversion rate of 0.09 CFS (cubic feet per second) of ground water for 3 acre of irrigation, this requires a license examination fee of \$50.00. The proof is not completed until the \$50.00 fee is received.

If the fee is not received within 30 days from the date of this email the Department will return your proof form. If you have any questions concerning this matter, please contact me at (208) 287-4945.
