RE: Change in Ownership Water Right No. 29-14444, 29-14431

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

\*\*\*\* **Evidence of Ownership:** The department received a copy of a Warranty Deed with your application; however, the deed received is from A W Hardy Family Investment LTD. The current owner of the water right 29-14444 is Robert Rowland, please supply a copy of the deed from Robert Rowland to A W Hardy Family Investments LTD. Also the deed going into Lacey is not signed or recorded. Please supply a full, recorded copy of the deed from Straton Wheatley and Chelsie Wheatley to Akilah Lacey and Holly Lacey.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: [www.idwr.idaho.gov](http://www.idwr.idaho.gov).

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Bailly  
Technical Records Specialist
