RE: Application for Transfer 87995

Dear Parties,

The Department of Water Resources has received and acknowledges the withdrawal of protests against the above referenced application. Withdrawals have been received from the following protestants:

- City of Rexburg

The application does not have any remaining protests; therefore the department will take the steps necessary to bring the application to a final resolution.

Please contact this office if you have any questions regarding this procedure. Information about water rights and other matters administered by this agency is also available online at www.idwr.idaho.gov.

Sincerely,

Christina Henman
Administrative Assistant

RE: Water Right Transfer Application No. 87995

The City of Rexburg withdraws its protest dated June 28, 2023 to Water Right Transfer No. 87995.

After meeting with representatives of the water rights pertaining to this transfer, both the City and the water right representatives have agreed to limit future transfers of these water rights to lands within or near Rexburg city limits and/or the impact area of the City of Rexburg. Exceptions to this limitation will be the release of this protest but also a future transfer of similar size (or about 5 acres).

The City will continue to review future transfers and reserves its right to protest any additional transfers of these water rights.

Respectfully,

A handwritten signature in black ink, appearing to read 'Keith Davidson', with a long horizontal line extending to the right.

Keith Davidson
Public Works Director
City of Rexburg
