RE: NOTARY AND SEAL FOR A29-04064A

Dear Mr. Smith:

While doing the initial comparison between computer generated Notices and hard copy Notices filed by claimants in Basin 29, it has come to our attention that a signed and notarized copy of your notice is not in our files.

Although a Notice of Claim to your water right has been data entered in our computer system, it is necessary that we have a signed and notarized Notice before we can process the Notice and make recommendations to the court. Since your name is the only one listed on the Notice, you are the one who must sign it.

I have enclosed for your convenience a typed Notice of Claim that must be signed in the presence of a Notary and returned to this department within 10 days (September 28, 1992). If the signed Notice is not returned by this date, this office will initiate procedures for refunding the filing fee paid in conjunction with the Notice of Claim form you submitted for the Snake River Basin Adjudication (SRBA).

The effect of this action will be to remove this Notice from the Department's records. Should you decide to rifle this Notice once the refund has been issued, the new filing will be subject to a late fee of \$50.00

I will keep your Notice of Claim in my office until September 28, 1992. If we have not heard from you, the refund process will be initiated.

I am sorry for any inconvenience. Please do not hesitate to contact this office if you have any questions regarding this matter (525-7161).

Respectfully submitted,

Gregory J. Taylor
Sr. Water Agent, Adjudications
