RE: claim # A29-04064B

The water from this Spring has been used for Irrigation on this property since 1889. years ago the creek (papoose) did not flow enough to reach any other ground and was Damed at night to build enough water to flood the property we (scoffield's) now own. The creek has changed considerable over the last few years and flows almost year round. water from this spring almost exculsively watered the ground we (scoffield's) own up until about 20 yrs ago when the palmers piped it for sprinklers and divided and conveyed it for Irrigation use on several parcels of ground
