G. NARRATIVE/REMARKS/COMMENTS: The Department received the Statement of Completion on October 14, 2025. ArcMap and Bonner County show dwelling on property and list permit holder as current owner. The permit was issued for two homes and up to ½ acre of irrigation for each home. The Proof of Beneficial Use stated only 1 home. An email was sent to permit holder requesting confirmation of only 1 home, no response was received. The POU description remained the same since the remaining property straddles the line between the QQ. There are no overlapping rights with the POU or POD. The Proof of Beneficial Use stated a fish screen has been installed. Conditions X04 and X60 were edited to reflect one home.

Subject: Water permit 96-9808

Mr. Wallace,

The Department of Water Resources (Department) is in the process of reviewing your permit for licensing.

Permit 96-9808 was issued for domestic use for 2 homes and ½ acre of irrigation for each lot. The Statement of Completion you submitted stated you only developed 1 home and ½ acre of irrigation. It appears that there is a dwelling on Lot 1. Is there a travel trailer that is parked on Lot 3 for any of the year?

Please let me know within 14 days if there are 2 domestic uses being utilized. If the Department doesn't hear from you within 14 days, we will issue your license for 1 home. Let me know if you have any questions.
