We held an emergency canal meeting on 12/14 and CJC Farm LLP's agency Jason Ferguson presented what

they wanted to do, and we talked for two hours and it was brought to a vote and the canal board voted to protest because conveyances losses in the system are too high, there isn't enough water in the system now, and it takes too much storage water to deliver water. If we let them out of the system, the company's finances will be impacted.

(Additional pages may be attached to describe the basis of your protest.)

Identify any review criteria that are not a basis for your protest:

A withdrawl of the transfer.
