RE: Transfer No. 90105
Water Right No(s). 37-22607, 37-22610, 37-22613, 37-22616

Dear Applicant(s):

The Department recently sent you a letter regarding processing your Application for Transfer of a Water Right, as referenced above. It was recently brought to our attention that the Magic Valley Times News will *not* be publishing a newspaper on Thursday, November 27, 2025, due to the Thanksgiving holiday.

Please note, the first date of publication for your Application for Transfer occurred on November 20, 2025, as scheduled. However, due to the newspaper not being published on November 27, 2025, the Times News advanced the second date of publication to **November 29, 2025**. Because of this change in publication dates, the protest deadline has been extended. Any protest against this application must be filed with the Department of Water Resources, together with a protest fee of \$25.00 for each application, on or before **December 9, 2025**.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the approval document.

Please contact this office if you have any questions regarding the application.

Sincerely,

Denise Maline
Administrative Assistant
