Dear Applicant,

We received your application to change the point of diversion and place of use of water right no. 34-14317 on November 25, 2024. Your application for transfer included the following three deeds: Braswell to Norton, Norton to J&M Lawrence Enterprises, and J&M Lawrence Enterprises to Cain.

The deed from Braswell to Norton looks good. However, the deed from Norton to J&M Lawrence Enterprises contains the wrong parcel (the 2.3-acre parcel located just west of the 11-acre parcel where the subject water right is currently located). Please provide us with the deed for the correct parcel (RP03N27E187204). I also noticed that the deed from J&M Lawrence Enterprises to Cain is unrecorded. Please provide us with a copy of the recorded deed.

We cannot continue processing the transfer without this additional information. If we do not receive the requested information within 30 days, your application for transfer will be denied and the water right will not be changed. If you have any questions regarding this matter, please feel free to contact me at (208)525-7161.

Respectfully,

Michael Holliday
Water Rights Supervisor
