SUBJECT: Bear River Basin Adjudication Claim (BRBA) No. 13-942

Dear claimants,

I am writing in regards the Rushville Irrigation Company adjudication claim 13-942, received September 08, 2025.

After further review, the \$701.00 claim fee received is insufficient for your claim. The claim fee is \$50.00 for the claim and a \$1.00 variable fee for each irrigated acre. Please send an additional \$750.00 to complete your adjudication claim fee.

Item #9 on the claim form did not indicate total irrigated acres. According to the GIS files we received, the total irrigated acres is 1400.8. If this is not the amount of acres you intended to claim, let us know.

If you do not complete the missing claim fee by the response deadline, your claim will be rejected and refunded.

Please mail a check payable to Idaho Department of Water Resources, with 13-942 written in the memo line, back to my attention at 325 E 600 S STE 300, Preston, ID 83263.

If you have any questions, feel free to contact me. My telephone number is (208) 701-7200 and my email is jose.pacheco@idwr.idaho.gov.

Sincerely,

Jose Pacheco
Water Resource Agent
