OF RENO DITCH CO LLC**

ORDER VACATING HEARING

On October 3, 2024, Reno Ditch Company LLC (“Reno”) filed Application for Transfer No. 89436 with the Idaho Department of Water Resources (“Department”). On March 12, 2025, the Department issued a *Preliminary Order Denying Application*. On March 26, 2025, Reno filed *Applicant’s Petition for Reconsideration* and a *Protest and Petition for Hearing*. On April 4, 2025, the Department issued an *Order Denying Petition for Reconsideration and Granting Petition for Hearing*.

The Department scheduled the administrative hearing in this contested case for December 4, 2025. On December 2, 2025, Reno requested that the hearing be vacated to provide Reno with additional time to investigate the water rights included in Application 89436 and associated water rights. Because there are no other parties involved in the contested case, vacating the hearing will not prejudice any other parties.

ORDER

IT IS HEREBY ORDERED that the administrative hearing scheduled for December 4, 2025, is VACATED. The hearing will be rescheduled later, if necessary.

Dated this 2nd day of December 2025
