2. The Lessor has filed a completed application to lease water rights described below into the Water Supply Bank on forms supplied by the Idaho Department of Water Resources and received by the Department on October 28, 2024.
3. The Director of the Idaho Department of Water Resources has reviewed the application for compliance with the Water Supply Bank rules and has approved the Lease subject to conditions listed below.

NOW, THEREFORE, in consideration of the mutual covenants and contracts herein contained, and other good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto agree as follows:

1. **WATER RIGHTS:** The Lessor shall lease and the Board shall accept into the Bank the Applicant's water rights described as follows:

Good afternoon, Kristin!

I am processing Water Supply Bank Lease Application 3084 for DMA Family Trust and wanted to confirm the timeline for leasing water rights into the bank. It looks like previous leases have been in the bank for the max of 5 calendar years. The current lease application is only requesting it to be in the bank for a total of 4 years for 2025-2028.

I wanted to clarify that is the intended time for those water rights to be idled or if your client wanted to extend the lease timeframe?
