RE: Change in Ownership Water Right No. 22-10628

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** You submitted a Notice of Change in Water Right Ownership on December 11, 2025. After our initial review the department found additional information is required. There were 2 deeds attached to your application 469730, 469733. Deed 469730 is for property located in Section 32, Township 7 North Range 40 East. The water right in questions is in section 5 Township 6 North Range 40 East. Deed 469733 is for 5 acres in Section 5, Township 6 North Range 40 East, however the deed does not cover all the property associated with the water right. Also, the deed is a Quit Claim Deed from Chad and Allison Harris to Chad and Allison Harris. The current owner of the water right is Jerry W and Norma Lee Harris, a full chain of title back to the current owner on record is required. Please supply a copy of the deeds for the entire place of use of the water right as well as full chain of title.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Baily
Technical Records Specialist
