RE: RENTAL AGREEMENT NO. 801 – NOTICE OF CURTAILMENT

Dear Renter:

You are receiving this letter because one or more of the groundwater rights you are renting bears a priority date junior to (younger than) August 15, 1952. The Director of the Department of Water Resources (Department) issued the Final Order Curtailing Ground Water Rights Junior to August 15, 1952 ("Curtailment Order") on December 8, 2025. The holders of groundwater rights listed in Attachment A of the Mitigation Curtailment Order must immediately cease and desist diversion and use of those rights unless notified by the Department that the Curtailment Order has been modified or rescinded as to their water rights.

Rental Agreement No. 801 authorizes 0.04 cfs, 8.0 af, and 2.0 acres of Right No. 29-13892 for municipal use. The right is listed in Attachment A of the Curtailment Order, and any diversion or use of water associated with this right is not authorized and, if occurring, will be subject to any necessary enforcement action.

Information regarding the ongoing status of the curtailment may be found at: <https://idwr.idaho.gov/legal-actions/delivery-call-actions/SWC/>. If you have questions concerning this notice, please contact the Department's State Office in Boise at (208) 287-4800.

Respectfully,

Phill Hummer
Water Right Section Manager
