| 4. | 103 | When ordered by the Director, the right holder shall provide mitigation acceptable to the Director to offset depletion of lower Snake River flows needed for migrating anadromous fish. The amount of water required for mitigation, which is to be released into the Snake River or a tributary for this purpose, will be determined by the Director based upon the reduction in flow caused by the use of water pursuant to this right. Any order of the Director issued in accordance with this paragraph shall be in conformance with applicable rules allowing the right holder due process as the need for mitigation and the amount of mitigation are determined. |
| 5. | T07 | The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval. |
| 6. | T08 | Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer. |
