Re: Request for Extension of Time to File Adjudication Claim(s)
Combination of rights 13-103 through 13-125

Dear Claimant(s),

The Request for Extension of Time to File Adjudication Claim(s) has been approved and is enclosed. The new filing deadline is **March 20, 2026**.

Department staff have transitioned fully to the claim evaluation phase in Basin 11 to meet the adjudication timeline goals. Staff have limited ability to assist you moving forward following your third approved extension request and it may be beneficial to seek outside counsel.

In addition, there is inconsistency in identifying the name of the claimant that will be filing the claim(s). **When filing future paperwork, you must consistently write the correct claimant name on each document.** Late claim fees may be applied in the future if a clear claimant name is not described and maintained in future document submission.

Please enclose a copy of the approved extension request form when filing your claim.

Sincerely,

Christopher Holmes
