Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at 208-287-4921.

Sincerely,

Debra Mansfield

Hi Susan,

I would be happy to proceed with processing the Change in Ownership that we have everything for at this time. To do that I would remove water right 2-10426 from this Notice and request that another Notice be submitted for water right 2-10426 when the documentation is ready. I can reallocate the \$25 that you already paid for water right 2-10426 to the split fee of water right 51-10115 which would bring the Split fee to **\$50**.

I can start processing the split for 51-10115 once I receive that remaining split fee.

Is this something that would work for you?

Thank you,

Debra,

Thank you so much for providing the extensive information regarding WR 2-10426. I will work on getting a deed showing the Joyce A. Young Revocable Trust as the current co-owner of the water right. That may take some time and likely push beyond my end-of-year goal for transferring Roger's water rights.

In the meantime, can we go ahead and process the change of ownership for 51-10115, 2-10217 & 2-10431? I will pay the additional \$75 for the split of 51-10115 either by credit card or by mailing a check.

I realize this may require a separate application for WR 2-10426. Please let me know if this is possible.

Thank you,

Susan Brewster

Hi, Susan,

Thank you for taking my call this morning. As we discussed on the phone, I have included some images below of the Place Of Use for Water Right 2-10426 in comparison with the county parcel data, obtained from the Owyhee County website. **The backfile documentation for Water Right 2-10426 can be found here: [IDWR Laser Fiche -- Document Search](#)**

Please note, I found that Water Right 2-10426 was **decreed** to **both Roger G Young and the State of Idaho Department of Lands**. I could not find a Change in Ownership on record for this water right. This means that Roger G Young is a real and current Holder of Record for Water Right 2-10426. According to a note on the Water Right's report: "The ownership of this water right is governed by a settlement agreement executed by the Idaho Department of Lands and Roger G. Young dated September 2, 2009". *This report is attached above along with an attached map of the Place of Use and the SRBA Court Decree, for your reference.*

To update the ownership of water right 2-10426 you will need to provide legal documentation, such as a deed that shows the specific conveyance of the Water Right 2-10426, from Roger G Young (or Roger G Young's estate) to the Joyce A Young Revocable Trust. You may want to consult with an attorney or water rights consultant on how to obtain this documentation. The Department does not have specific guidance on how to obtain or draft deeds.

If you can obtain a deed for Water Right 2-10426 to proceed with this change, the Joyce A. Young Revocable Trust will be a co-owner of this right along with the State of Idaho.

Place of Use Imagery and Parcel Data:

Using the Department's internal GIS research tools, I was able to find that the parcel itself has been owned by the State of Idaho Dept of Lands since at least 2010. That is the earliest year available in the parcel ownership history data for Owyhee County. Given this information, I do not think it would be possible for you to obtain a deed for the appurtenant property itself, rather you will need to obtain a deed specifically for the Water Right number. Here is some imagery showing the Place of Use for Water Right 2-10426 and the current Parcel Data provided by the Owyhee County website.

[ArcGIS/ IDWR Tool Imagery](#)

1. In this image the pink shape occupying the NENE1/4 and the SENE1/4 represents Parcel RP05S05E360STT owned by the State of Idaho

2. This image shows the Water Right Place of Use within the Parcel RP05S05E360STT owned by the State of Idaho. The Water Right Place of Use is illustrated by the Blue/green shape in the SENE1/4.

3. **This is the current Parcel information as it is available to the Public on the Owyhee County Data Parcel Map. You can navigate to their maps here: [State of Idaho County Parcel Maps](#)**
 - This data seems incomplete. In my experience this is common in some counties when the State owns a parcel. The County Recorder may have more data available upon request.

Regarding the processing fee for the split of Water Right 51-10115:

The split fee of \$75 for Water Right 51-10115 can be mailed to IDWR at:
322 E Front st, ste 648
Boise ID 83702

You may also walk into any of our offices to submit payment if you want to use a credit card. All of addresses and contact info can be found here: [Contact Us | Idaho Department of Water Resources](#)

Please, let me know if you have any more questions about the Change in Ownership process. If you need longer than 30 days to obtain documentation for the change for Water Right 2-10426, let me know. If we keep a clear line of communication open, I will keep your Change in Ownership active while we wait for documentation.

Hello Debra,

I am working on the items you requested to process the change of ownership for water rights 51-10115, 2-10426, 2-10217 & 2-10431.

I just emailed a PDF to your E-file of the deed of distribution to show evidence of ownership for water rights 2-10217 & 2-10431.

As for the other water rights, please call me at your earliest convenience to discuss how I should go about providing you what you need.

Have a great weekend!

RE: Change in Ownership for Water Right No(s): 51-10115, 2-10217 & 2-10431.

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- Evidence of Water Right Ownership: copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question
- Filing Fee for changes resulting from division of Water Right 51-10115 - **\$50**

During our review of your received Notice and supporting documents, we found that we will need further documentation to complete the change in ownership for some of these rights. **The Department did not receive any supporting deeds that contained the property description for Water Rights 2-10217 and 2-10431.**

Water Rights 2-10217 and 2-10431 are located in Township 06S, Range 08E, Section 3 within Elmore County. Water Right 2-10217 is in the NENE1/4. Water Right 2-10431 is in the SENE1/4. The Department will need the corresponding deeds to these properties to complete the change in ownership for Water Rights 2-10217 and 2-10431.

~

Our review also found that Water Right 51-10115 will need to be split. The Place of Use for the Domestic use and a portion of the Stockwater use for Water Right 51-10115 is located on Parcel No. RP05S05E349300, under the ownership of Crane Falls Acres LLC. Your parcels in this quarter-quarter are still entitled to a proportional split amount of the Stockwater use.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be \$75.

Regarding Water Right 2-10426: Water Right 2-10426 is an appurtenance of the Parcel PIN RP05S05E360STT. This parcel is located in Township 05S, Range 05E, Section 36, in the SENE1/4 within Owyhee County. According to county records this parcel is under the ownership of the State of Idaho. Also, the Department did not receive any supporting documentation containing the property description for Water Right 2-10476. **If you do not own the property associated with Water Right 2-10476, the Department will reallocate the previously received \$25 processing fee for this Right towards the splitting of Water Right 51-10115. That would reduce the actual filing fee for your Notice to \$50.**

If you have any questions regarding this matter, please contact me at 208-287-4921 or at debr.mansfield@idwr.idaho.gov.

Sincerely,

Debra Mansfield

Hey Deb!!

I had Leslie Susan Brewester (Susan) come into visit me for an office day walk-in on 11/4 regarding some questions about her Ownership Changes. Essentially her uncle has passed away, and she is trying to put an ownership change together for 11 Water Rights from Roger G. Young to Joyce A Young Revocable Trust. She filled out the Change of Ownership forms, and I already gave her a heads up that she will be hearing from you when you get back from vacation and should be prepared to gather supporting documents (death cert, chain of title, authority to sign as a trustee, etc).

Just wanted to give you a heads up on my conversation with her!

To whom it may concern:

Please include the attached documents in the processing of three "Change of Water Right Ownership" forms that were submitted to your office on Tuesday, November 4, 2025. These forms request change of ownership from Roger G. Young to the Joyce A. Young Revocable Trust.

- Property Deeds (10) which show property associated with water rights is currently owned by the Joyce A. Young Revocable Trust
- Death Certificate of Roger G. Young, the original owner of water rights
- Letters Testamentary which provides Leslie Susan Brewster the authority to act on behalf of the original owner Roger G. Young
- Certificate of Trust which proves the existence of the Joyce A. Young Revocable Trust

Please let me know if you need any additional information or if you have any questions. I am trying to complete the change of ownership by the end of 2025.
