RE: License No. 67-15330 and 67-15525

ISSUANCE OF LICENSE

Dear Water Right Holders:

Yesterday, the Department of Water Resources ("Department") issued two Water Right Licenses to you, 67-15330 and 67-15525. Although the water right licenses were correct, the cover letter that accompanied the water rights did not properly identify them. This letter is intended to correct that error, to assure you that the licenses did in fact have the correct numbers, and that only the cover letter was incorrect.

Also, please note that water right owners are required to report any change of water right ownership and/or mailing address to the Department within 120 days of the change. Water right forms are available from any office of the Department or on the Department's website at idwr.idaho.gov

If you have any questions concerning the enclosed, please contact me at 208-605-4629.

Sincerely,

Susy Hobson
