Dear Lessor:

Idaho Department of Water Resources (Department) records show that all or a portion of the above referenced water right(s) were leased to the Water Supply Bank (Bank) through December 31, 2025. **This letter is notice that the following right(s) will soon be released from the Bank:**

<b>Lease Contract ID</b>	<b>Contracted Water Rights</b>	<b>Contract Start</b>	<b>Contract End</b>

A water right is not protected from forfeiture unless it is accepted into the Bank or unless an exception or defense to forfeiture applies as described under Idaho Code § 42-223. The five-year period of nonuse related to forfeiture of a water right shall begin to accrue upon release of the right from the bank or shall continue to accrue if a period of nonuse occurred prior to the lease date of the right to the Bank.

If you have not already done so, you can download and complete a new [Application to Sell or Lease a Water Right to the Water Supply Bank](https://idwr.idaho.gov/form/) form by visiting the Department's website at <https://idwr.idaho.gov/form/>. You can track the status of a new application through the Water Supply Bank Processing sheet on our website, here: <https://idwr.idaho.gov/iwrb/programs/water-supply-bank/reports/>

If you have any questions regarding this matter, please contact bank staff at (208) 287-4800.

Sincerely,
