RE: Change in Ownership Water Right No. 25-7256

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** The department acknowledges receipt of the following deeds: 478956 (from Barbara Hill to Barbara Hill, LeRoy C Wright and Mailyn Wright for parcel **RP05N38E343006**) and 478955 which is for a small 0.36 acre parcel added to your property. We still need a copy of the original deed for the remaining 1.2 acres of parcel number **RP05N38E343008**. Also, on September 18 the department requested a copy of the deed from Ruby and Dee Wright (current owner of the water right) to Barbara Hill. These documents can be emailed back to either easterninfo@idwr.idaho.gov or jonie.baily@idwr.idaho.gov or of course you can mail them to the address above or stop by the office. I did also call and leave a voicemail on 208-390-4738 and sent an email on October 16, 2025.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Baily
Technical Records Specialist
