SUBJECT: Bear River Basin Adjudication (BRBA) Claim No. 11-4118 to be disallowed

Dear Claimant,

The Idaho Department of Water Resources has reviewed your claim to a water right #11-4118 and will recommend it to the Court as disallowed for the following reason(s):

The Notice of Claim to a Water Right identified with the number shown above was submitted for the use of surface water for irrigation purposes with a claimed priority date of 6/18/1883. The written statement that you submitted does not provide enough information to verify this date. If you have any more evidence or would like to submit another statement, please submit it to our office. We will add any newly provided evidence to your claim and re-evaluate it until the adjudication for basin 11 ends.

If you would like to contact us, our telephone number is (208) 701-7200 and my email is justin.edgel@idwr.idaho.gov.

Sincerely,

Justin Edgel
Water Resource Agent
