MEMORANDUM FOR APPLICATION #2786

To: Water Right(s) 29-2395

From: Mackenzie Kienholz

Date: 2/9/2024

Re: Review & Analysis of Application to Lease Water to the State Water Supply Bank

PURPOSE/NARRATIVE: Water Supply Bank Lease Application #2786 was submitted by James W Hart and was received by the Department on 10/20/2023. The application proposes to continue to lease the full amount of water right 29-2395. This right has been leased to the Bank since 2013, most recently under Lease Contract #878 (2019-2023).

This lease is within the ESPA GWMA and Water District #120.

AUTHORITY TO FILE: The application was signed by James W Hart. James W Hart and David J Hart are listed as the current water right owners. A designated lessor form (Attachment 1A) was submitted with the application signed by both James and David Hart listing James W Hart as the designated lessor. No concerns with authority to file.

WATER RIGHT VALIDITY: Right 29-2395 was decreed in 2004. The right was protected from forfeiture pursuant to Section 42-223(1) Idaho Code from 1997-2010 and has been leased to the Water Supply Bank since 2013. No concerns with validity of the water right and portion offered to the bank.

INJURY TO OTHER WATER RIGHTS: Lease of this water right would not cause injury to other water rights. Proper review to prevent injury if rented.

ENLARGEMENT OF USE: The place of use for 29-2395 is only overlapped by City of Pocatello municipal rights. The applicant noted that the place of use would not continue to receive water from any other source. Lease of this water right would not cause enlargement of use. Proper review to prevent enlargement if rented.

LOCAL PUBLIC INTEREST: Review staff has no information to suggest this application is inconsistent with the local public interest.

BENEFICIAL USE/CONSERVATION OF WATER RESOURCES: The lease appears consistent with the conservation of water resources in Idaho.

DEPARTMENT STAFF OR WATERMASTER COMMENTS: The location for the lease POD is subject to Water District #120. A request for comments was sent to the WD #120 watermaster and IDWR Eastern Regional Office on 2/9/2024.
